

## *Helping Hands Grant*

*April 2024*

*Helping Hands Grant is an opportunity for states or chapters who have a project to help Veterans or their families or other charitable events.*

*Stand downs, homeless veterans' organization, state or chapters that are raising funds for veterans' related charities are just a few examples of activities that may qualify for a Helping Hands Grant.*

*If you feel your project or event may qualify, go to the AVVA website, <https://www.avva.org/hhgrant.html> to learn more about grant requirements and the application process.*

*Kathy Andras*
