

Hello,

I am announcing my candidacy for re-election to the office of Region VI Director.

My name is Fran Files Davis and I had the honor of serving as the Region VI Director for the last 2 years. I also serve as the Chaplain of the Board and help Father Phil in sending Condolence notes.

During my term I have increased the State Representatives from two states to six and hope to add all eight in my next term. I am hoping to get participation from all states in electing Chapter Representatives to increase communication.

I am married to John (JD) Davis, a Vietnam Veteran and member of VVA since 1987. We raised 6 Children, have 14 grandchildren and 11 great-grandchildren. One son is in the Army with prior Marine and National Guard service. I have 3 grandsons with military service, one recently released on a medical discharge from service in Afghanistan and the other currently serving in Hawaii.

I have been an associate member of VVA then AVVA since 1988. I served as Chapter Liaison, State of Illinois Liaison and Region V Liaison prior to the formation of Associates of Vietnam Veterans of America in 1999. I was elected the first National Secretary of the new Associates of Vietnam Veterans of America, Inc. After serving for 5 years I was elected National Vice President and served another 2 years. I then took a break.

I have been the Missouri State Representative since Spring of 2014, was re-elected Spring of 2016 and again in 2018. I serve the Branson, MO area as President of the Ozark Mountain Blue Star Mothers since 2009.

I am happy to represent you and all the members of your state. Please feel free to contact me any time you have questions or concerns.

I appreciate the work you do in keeping your states updated with emails you receive, and I will send as often as I receive them. I will also communicate dates that are coming up regarding deadlines for your submissions.

Fran Files Davis

Galena, MO 65656
