

Candidacy for Region 3

Deputy Director

My name is Susan Price. I am the widow of Ralph Price, a retired Navy Chief. I am a Life Member of AVVA, Chapter 203 in Chattanooga, TN. There, I reside with my daughter, granddaughter and 3 great grandchildren, who are the light of my life.

I am a transportation brokerage agent and have been for the past 33 years. I also own a bookkeeping and tax service which I inherited from my Dad. He started the business in 1960, and when I was old enough to assemble and type tax returns, I was hired.

I currently serve as National Finance Chair for AVVA as well as AVVA Chapter 203 President and Vice President of the Tennessee Association. Prior to becoming President, I served as Treasurer of our local chapter for the past 9 years as well as Treasurer for the National Foundation for Veterans and Families from 2015 to 2018.

Outside of work and my service to our veterans, I teach a Sunday School class and am interim Finance Chair for my church. My favorite things to do is spending time with the family and enjoying the kids, cooking, and decorating.

I feel, with my past experience, I can continue to serve this great organization by assisting the Regional Director as Deputy Director for Region 3.

Sincerely,

Susan Price
