

Nancy Rekowski, Region II Director

April 2016

Region II has accepted the resignation of Irene Gratacos, New Jersey AVVA State Representative. Margaret Wojciechowicz was appointed POC for the state of New Jersey until elections are held in June. I will be sending Irene a Certificate of Appreciation and a gift to be presented at the election meeting.

Since October board meeting I worked with Joanna Henshaw on policy and procedure changes and again recently with Sharon in Joanna's absence.

Sharon ordered Certificates of Appreciation paper so that Bernie and I can restock the certificates and also prepare Fellowship and Member of the Year certificates.

I attended a GoTo Meeting with the Incorporation and Bylaws Committee reviewing the new incorporated state and chapter bylaws. I also attended the elections seminar.

As co-chair of the 2016 Project Friendship I have made many phone calls, emails and backs to a Tucson, Arizona homeless nonprofit. To date we have received no response and will be searching for an alternative organization for our Project Friendship with the help of Sandy Miller who has been so gracious in assisting us with this project.

The Region II article was submitted for the Updates.
