

AVVA Region 3 Report
Beverly Pounds, Director
April 2016, Board of Director Report

Continuing to write and call our Legislators explaining to them why the “2015 Toxic Exposure Act” is so important. Urging them to get on board and pass this bill.

Continuing to send out sympathy cards, get well cards and thinking of you cards. Sadly the numbers keep going up.

I want to thank Pamela Bossardet, the Region 3 Deputy Director, for her time and devotion to help Veterans, their families and Region 3. It is truly a pleasure to work with her.

I’ve been working with members of Kentucky AVVA as they are preparing for elections, their State Conference is June 10th and 11th; and the upcoming 2017 Region 3 Conference.

In January, it was my pleasure as Region 3 Director to attend the AVVA Chapter 1004 regular meeting in Lebanon, Tennessee. During the meeting I presented their Incorporation Charter. It was enjoyable to meet the members and see firsthand all the great work they are doing to help veterans and their families in that area. Also, to witness the great support they have from their VVA chapter.

I’ve been encouraging chapters to host a “Military Spouse Benefit Program” in their area. Several have already had one with others coming up.

I’m sending out reminders from time to time to send in those VISTA hours.

Looking forward to a bright and sunny Spring and Summer.
