

Region II Report

Nancy Rekowski, Region II Director

July 2017

The months between April and July always seem to be the busiest with chapter and state elections and the conference on even years and convention during the odd years. In preparation for the convention this year my assignments were as follows; preparing Convention Caucus agenda, working with Sharon Hodge and Bernie on the convention survey and the legislative priorities brochure which will be debuted at the convention and working with the bylaw committee on bylaw changes.

Region II is comprised of New York, New Jersey, Pennsylvania and Delaware. New York and Pennsylvania have Incorporated State Councils. Pennsylvania has four Incorporated chapter's with an additional chapter in the process.

As a Regional Director my goals for the 2017-2019 term are as follows;

1. Educating chapters on the election process and registering the results to the national database.
2. Identifying and mentoring new leadership.

Committees:

Strategic Planning, chair

Policy and Procedures, committee member

Bylaws, committee member

Incorporation, committee member

I'd like to take this opportunity to thank all those who have given me the opportunity to serve as their regional director.
