

## Bylaw Committee Report

April 2019

Nancy Rekowski, Chair

The 2019 bylaw amendment proposals have been sent to the Board of Directors and will be posted on the website by April 19, 2019. Copies of the proposed amendments will also be printed in the convention delicate handbooks.

Incorporated state and chapter bylaw templates were also reviewed and amended by the committee and sent to the chapters and states for adoption at their annual meeting. Adopted bylaws are to be sent to the bylaw committee only. After the convention, the templates will be reviewed and amended accordingly to the national bylaw amendments.

Thank you to my committee members Joanna Henshaw, Cecilia Essenmacher and Joann Blum for two years of dedicated service.
