

Condolence committee Term end Report July 2, 2019

We have been receiving the letters and forms from Father Phil in envelopes that are increasing in size. More and more of the VVA and AVVA members are passing. A condolence card and card about the In Memory plaque. The requirements for having your veteran's name added are on this card. These cards are sent in a hand-addressed envelope. Any original death Certificates or other official paperwork are also included.

It is my honor to chair this committee and want to thank my Daughter-in-law, Paula Davis who loves to hand write the hundreds of envelopes.
