

PAPER SAFE REPORT

Nancy S. Switzer, Chair

JULY 1, 2019

The Paper Safe continues to be an outstanding program for AVVA that is much needed and wanted. The Paper Safe is an estate planning for veterans and their families and consists of documentations, medical issues/reports, VA and medical reports, numbers, Will/DD214 and banking information so that when something happens the family knows right where to go for funeral arrangements and other important documents they may need.

TWO YEAR OVERVIEW:

The Paper Safe has been in demand and being used by most Faces of Agent Orange Town Hall meetings. We have found ways to reduce the cost in mailings these.

It is now time to order new Paper Safes after the convention. Right now we have five (5) cases left. Additives will be made to this document. The procedure in any order of the Paper Safe is to have a review of it by the VVA Benefits Director.

If you would like more information on receiving the Paper Safe, please contact me at 585-247-2098 (leave a message please) or by email at Switzer3@frontiernet.net. I would like to thank my husband, Rick Switzer, for assisting me in getting these mailed.
