

End of Term Committee Report - Product Sales

Chairing the Product Sales Committee has been very rewarding for me. Thank you for the opportunity of holding this position.

Along with goods from other vendors, we sold Agent Orange Products. This included pins, flags, and various other items. This relationship has been very successful for the last 2 years. It has been my pleasure to help with this project.

Thank you for all the help that I have received from you, my fellow Associates. You have been so kind and generous with your time.

If the new president wants to keep me, I look forward to continuing as Chair of the Product Sales Committee. Again, thanks to all of you. I look forward to the coming years.
