

Strategic Planning Committee

July 2019

Nancy Rekowski, Chair

The strategic planning committee sent the 2019 proposed plan to the Board of Directors. The plan was adopted at the April 2019 Board of Directors meeting. The strategic plan is now available on our website. The committee and our graphic designer (Bernie Rekowski ) has put an estimated 400 hours into the project. I want to thank my committee members Joanna Henshaw and Cecilia Essenmacher for their dedication and hard work.,
