

## Strategic Planning Committee Report

Nancy Rekowski, Committee Chair

October 2018

Due to the change in our IRS nonprofit status, revisions to the strategic plan will be submitted to the board for adoption at the October board meeting. More in depth revisions will be made after the strategic planning session held with the board on Saturday, October 20, 2018. The results will be used to generate the 2019 strategic plan.

The committee will also be preparing a report highlighting sections of the strategic plan still needing action.
