

FINANCE COMMITTEE - APRIL 2018

Another year has come and gone. I would like to personally thank all the Regions, Committees and Board of Directors for working so hard to keep in budget. Everyone did very well.

The Finance Committee continues to work on a solution to the shipping cost of the Paper Safe. Donations have been made through NFVF for Paper Safe expenses, which will help offset some of the cost.

The budget for fiscal year 2018-2019 is ready for submission to the Board. We are always seeking other means of Revenue.

February 28, 2018 was the end of our Fiscal Year. All Incorporated States and Chapters should be getting ready to or have already filed their Annual Financial Reports and submitting their 990 reports to the IRS.
