BOARD OF DIRECTOR-Region 7

Public Relations Report

March 30, 2018

REGION 7-Public Relations:

I am currently working to create a document/flyer/pamphlet as a "Spousal Benefit Program," for AVVA members to educate and support family members of our Veterans.

I spoke with the VA director and in El Paso and provided me with detailed information.

I spoke with the Fort Bliss directors of Casualty Assistance Office and the Survival Outreach Services to gather information from them.

Additionally, the Garrison Commander at Fort Bliss publishes the pamphlet to retirees in the area that has information not only locally but nationally.

This pamphlet is work in progress and will provide a sample at the AVVA BOD meeting for review by the AVVA National President to take off from there.

I will consolidated this information for a good review. Perhaps a small card with links and phone numbers for quick access.

Also working on the flyer for the Project Amigo for the Leadership conference. I will have a sample for Ms. Sharon by the end of this month.
