

## Leadership Development Committee Report – April 2016

---

The Leadership Development Committee is well on the way in completing our duties associated with the upcoming Leadership and Education Conference in Tucson, AZ. Our education portion of the program is complete in that we will only be offering a session on our newest program: Secondary PTSD. We have chosen our Project Friendship; the announcement will come during the April Board meeting.

AVVA has conducted one online refresher course for the Directors and Deputies since October. We have also held one online class on elections for the Chapter Representatives in PA. All states are welcome to ask for educational assistance from national. A graph of educational sessions and attendees is posted on the AVVA website for our membership's information.
