

Updates Sub-committee of Public Relations

April 2016

I have really enjoyed preparing the *Update* issues and I do appreciate everyone that takes the time to submit articles.

For me, I can become more familiar with many of our States and Chapters and all the great events that they report on. Seeing the pictures sometimes brings a face to a name that I recognize.

The Updates is a great tool for AVVA. Our members may get ideas on events for community service that may also work for them. It is “advertisement” for Associates of Vietnam of America. We never know who may read it and like what they see and join AVVA.

We encourage our members to submit articles, pictures; whatever they feel that they would like to share. It does not have to be lengthy but we do ask that if a picture is sent that names be included.

This newsletter is just not for AVVA. Please send it on to your VVA for dissemination.

We have received many compliments from VVA State or Chapters on our issues. In fact, in Region 9 we have a State President that will send an article which involves the chapter as a whole – VVA & AVVA. This is surely welcomed.

Keep the good works coming to the Updates!

Elayne Mackey
