

SECRETARY REPORT

March 12, 2016

This has been an interesting few months, to say the least. I have been able to get back to some of my duties, but not all. It will be several more weeks until I can do that.

The committee and board reports will be posted, and the e-motion form has been submitted for the April board. I want to thank the people who have stepped up to help our president while I am out of service.

I would like to take this opportunity to thank all of our members who have sent cards and letters, and who have been praying for me. I am overwhelmed by how many people care. But I am grateful; so very grateful for you all!
