

AVVA NATIONAL TREASURER REPORT

APRIL 2016

Since our last meeting in October I have been working with the Finance Committee on our 2017 budget. We have been holding go to meetings before our January meeting on the budget.

At the meeting in January we finalize the budget which will be presented to the Board in April for their approval. Also at the January meeting I helped VVA in the mailing of the certificates and pins for their membership drive. While in Silver Springs I attended the event hosted by Veterans Against Drugs skating party. As a committee member being able to participate in this event was a great experience.

In Louisiana we hosted the Council of State Council President meeting. We worked for three days feeding and making our presidents feel welcome and if I may say so go back home a little heavier.

If you have any questions I am always there to help.

Kathy Andras

AVVA National Treasurer
