

ASSOCIATES OF THE VIETNAM VETERANS OF AMERICA

AWARD COMMITTEE REPORT

2015-2017

COMMITTEE MEMBERS: Suzie Meeks, Betty Pike, Linda Finch and Susan Henthorn

One of my goals was to encourage every state to submit and recognize members of AVVA for national recognition.

Each Regional Director received a copy of an Awards Poster to be distributed among their states. The first year I deemed very successful as we received 8 nominations for AVVA Member of the Year and 5 nominations for AVVA Fellowship.

AVVA MEMBER OF THE YEAR - 2016

Congratulations Ms. Terri Rangel

AVVA FELLOWSHIP AWARD - 2016

Congratulations Ms. Mable Foreman

The second year is coming to an end and even though the information has been posted on the AVVA web page and again poster have been again sent to each Regional Director the number of nominations were a lot less. The nominations for 2017 have only been two nominations for the AVVA Member of the Year and also two nominations for AVVA Fellowship. Even though the numbers were lower the nominations were of very exceptional quality.

Looking forward to making the presentations in August, 2017 in New Orleans.

A special thank you for the amazing committee members of the AVVA Awards Committee.
