

*AVVA National Treasurer*

*October 2016*

*In the month of September I attended our MIA/POW and Welcome Home Ceremony held in Amite, La. Our representation of members was over whelming.*

*I have participated in two "Go to Meeting" held by our new Committee Chairs on PTSD "2". Our new VA Hospital in New Orleans will be opening this November and this will be a great program to establish in our hospital after our training is finish.*

*At our Board meeting, Deborah Williams and I will present to the Board of Director's our new procedures for direct deposit.*

*I am in contact with our Finance Chair in order to insure that the budget is kept in balance. I'm also available to anyone who may need help with their Chapter and State finances.*
