

WEBSITE COMMITTEE REPORT

October 2016

This has been a busy several weeks. Over the past couple of months there have been several things that were updated or added to the website. Some things were taken down and new information was posted, depending on current events.

Our new Government Affairs Committee Chair, Sharon Hodge, is very good at keeping us informed about important legislative information so check that page on the site often. We also have some new people in state, chapter and national offices, so the “contact” pages have been updated as well.

As a reminder, there is a web page on which we list the AVVA chapters and states who have web pages of their own. Whether they are a stand alone website, or a dedicated page within your VVA website, if it has your local AVVA information on it we would like to list it so that other members can visit your pages. Please visit the AVVA website page: <http://www.avva.org/othersites.html> and click on the link in the first paragraph to submit your website. From that same page you can visit other states and chapters as well.

New Regional and committee reports will be added to the website by October 8th. Please check back at that time catch up on the information!

Respectfully submitted:

Joanna Henshaw
