

LEADERSHIP DEVELOPMENT COMMITTEE REPORT – OCTOBER 2017

The Leadership Development Committee has been developing the upcoming Board Orientation for the 2017-2019 term. We will spend two hours reviewing expectations, budgets, expense reports, proper reporting, and parliamentary procedure.

In November, an online session for the Board for Directors and Committee Chairs will be offered on the budget process.

In December, we will begin online refresher courses for the Board on At-Large elections which are scheduled to take place in January 2018.

All states are welcome to ask for educational assistance from national. A graph of educational sessions and attendees is posted on the AVVA website for our membership's information.

Together Always,
