COMMITTEE REPORT - P & P COMMITTEE CHAIR

July 1, 2016

POLICY AND PROCEDURE COMMITTEE

In the past couple of months I have been submitting and monitoring policy change requests, through e-motions as well as regular P&P change requests, which will be discussed and voted on at the July annual meeting.

- There have been four motions done by e-motion process
- There have been eight policy change requests to be processed in July
- There were several policy changes approved at the April board meeting which were entered into the policy manual and posted

I have also continued going through the policy manual section by section; to make sure we will end up with a cohesive, clean document. Things such as the overall formatting and the other elements that will help us look as professional as possible.
