## BOARD REPORT - NATIONAL SECRETARY

---

July 1, 2016

I have been living a challenging life lately, but I am able to perform 90% of my duties again now, so it gives me something to concentrate on when not working on getting back to normal.

I am so grateful for all of the wishes and prayers from AVVA and VVA members, some of whom I did not even realize they knew who I was! Thank you, all of you, who have taken the time to lift me up. It is more valuable than you can possibly know.

In the past couple of months I have been working to help the board get ready for the July conference and annual meeting. There will be some policy changes requested, reports to collect, motions and general information to collect and file.

While I [sadly] will not be able to attend the VVA/AVVA Leadership and Educational Conference in Tucson, like I had thought I would, I will make sure that the board has the documents they need. And, I will be ready for the October board meeting if it is the last thing I do ....
