

## **Updates Elayne Mackey**

### **Sub-committee of Public Relations**

The Updates, the E - Newsletter of Associates of Vietnam Veterans of America, Inc. (AVVA) goes forward as planned approximately every 3 months.

A variety of events, news, pictures and information is reported on in the Updates.

One of the responsibilities of each Regional Director is to notify their states and then chapters that they may send articles for submission to the Updates. We have a lot of chapters and states that send us articles and pictures.

Recently a Remembrance Column was added. Unfortunately we realized that so many of our members are passing. We want to recognize them with their name in this column.

I enjoy doing this newsletter. It so good to hear about what is going on within AVVA, seeing pictures of members and knowing what other states and chapters are doing.

Good things happen around the country with AVVA's commitment to our Veterans and their community.
