COMMITTEE REPORT - WEBSITE COMMITTEE CHAIR

July 1, 2016

The website has been updated several times with information in the Government Affairs, Policy and Procedures, and other areas. Please go through it and see what's new.

The website has now exceeded 105 thousand visitors. That is very encouraging for us, as we want to get the information out there.

Most questions that you have, especially if you are a state or chapter leader, can be answered from the website. Please let it be a tool for you. And, if you still have questions you can also find contact information for your regional directors and your officers. We are all here to help.
