

AVVA Region 6 Report June 30, 2016

I have spent most of the last few months attending events around my home state of Kansas. I have attended two Memorial Day events. VVA Chapter 912 invited me to take part in the wreath laying with other local service organization members. I was also asked to read one of my poems at this event. For the Chapter 604 Memorial day event, I handed out roses as the names of deceased members were read. I also attended the last Kansas state council meeting.

This weekend I will be attending a two day event honoring Vietnam Veterans hosted by VVA Chapter 809. There will be book signings, round table discussions and a report about a member's recent trip to Vietnam.

I look forward to seeing many Region 6 members in Tucson in July.

Diane Nicholson
Region 6 Director
