

AVVA Region 9 Report
June 2016
Casey Farrell

I would like to start this report with a huge thank you to the board and a special thank you to Elayne Mackey for all your help with the transition to Region 9 Director in April.

Since April I have been learning forms and getting better acquainted with policies and procedures.

In April I was asked to review a disciplinary case for one of the chapters. I also started to gather information on the election results for our region.

In May I attended a chapter meeting in Nevada to clarify some policies and procedures that they were confused about. May was also a special month in that AVVA Chapter 1079 from Roy, Utah became an incorporated chapter. Congratulations!

In June I attended the Arizona AVVA State Association meeting and had the opportunity to brain storm ideas with the chapters and share information. I hope to get the opportunity to visit other Chapters or State Associations in the future.

I have also been sending out membership rosters and attending go to meetings about the upcoming AVVA Leadership Conference in Tucson, Arizona this July. I look forward to the conference and getting to know the people from my region better. I also look forward to helping out in the office and with product sales at the Leadership Conference.

I look forward to serving and assisting Region 9 in their future endeavors. Thanks again for your patience during this transition.

Casey
