

Quarterly report 2017

Elayne Mackey Vice President

I was not able to attend the 2017 Convention due to health problems. I did think of you all hoping that everything was going good, which I knew it would.

Thank you to all that worked so hard to see the results that we did. The number of registered delegates was outstanding as was the AVVA donation to Project Friendship. That is dedication!

You have not done wrong by being an AVVA member. We are moving forward in a very positive direction. It takes a while to achieve our goals but the work being done during this period is worthy.

Thank you as always,

Elayne
