

AVVA Treasurer Report

BOD Meeting April 2018

I attended the dedication of the new Veterans Park on the grounds of the State Capital in Baton Rouge, Louisiana. A section of the park will be dedicated in honor of all Gold Star Mothers.

In January I traveled to Silver Springs for our finance meeting. It was also a VVA Board of Directors meeting so I was also able to attend the committee meetings.

In February the State of Louisiana held our Mid-Winter Conference. I was asked many questions at our AVVA meeting about our roster and conducting Chapter and State elections. The Lt. Governor Billy Nungesser of Louisiana was also there and address our meeting.

On March 23 I traveled to Oklahoma City to conduct their election for State Representative. The new Representative is Victoria O'Rourke. She has many good ideas on how to help Oklahoma grow and I believe she will do a great job.

I also attended Vietnam Veterans welcome home celebration on March 28. I was able answer questions and to help some of the Veteran who were in attendance.
