

Region II Report

April 20 19

Nancy Rekowski, Region II Director

It has been my great honor and privilege to serve the members of Region II for the past three terms. Although am not running for re-election I will remain involved in the organization.

The past three or four months have been extremely hectic as committee chair for bylaws and the Strategic Plan. I want to thank my committee members Joanna Henshaw, Cecilia Essenmacher and Joanne Blum, I also want to thank Bernie Rekowski who always makes us look good.

As chair of the Anniversay book, my committee has begun its work designing our 28 anniversary logo and gathering information for the book.

I have also worked many hours with the incorporation committee.
