

Region IV Board Report 3/28/19

Since October 2018 not much has been going on in the southeast. I have been keeping up with states and chapters via email or by phone and wished everyone happy holidays.

In January I traveled to Silver Springs for the BOD meetings and Finance team meetings.

I have been educating chapters and states about the upcoming elections in Spokane, Washington and trying to get a head count on how many will be coming.

Since the end of January I have been having some health issues with my skin cancer but am now on the road to recovery and will be able to be more active.

See everyone in Spokane!
