

## Region 5 Director's report

April 2019

This period since October has been very quiet. I have had regular contact with the representatives and presidents in Region 5 states over membership issues and the National notices that have gone out but little more.

This will be my last report as region director and I would like to say it has been a pleasure to serve Region 5 over the last 4 years. Thank you to everyone who has supported me during this time. I wish our next director well.

Respectfully,

Cecilia Essenmacher
