

I have sent detailed information regarding the Leadership Conference in CA to all of the VVA State Presidents in Region 1, as well as two AVVA Chapter Reps. I mentioned a lot of the information which I took away with me.

I also told them about the two groups which were formed to plan the eventual exit of VVA. There are AVVA members in both groups. I let them know that they met with all of us to give an up to date discussion of their planning, which is a work in progress. I asked them to pass this along to all of their AVVA members.

I hope to get more information at the October BOD to also pass along.

Respectfully submitted,

Joanne Blum

AVVA Region 1 Director
