

Region II Report

April 2018

Nancy Rekowski, Region II Director

Congratulations to Pennsylvania Chapter 131 who recently has been approved for incorporation by the AVVA Incorporation Committee. Pennsylvania is an Incorporated State Association with four incorporated chapters. Chapter 131 will be formally presented their charter and national AVVA flag at the June state Council meeting.

In January 2018, I traveled to Silver Spring Maryland to attend the VVA Work Group 2 meeting (no cost to AVVA).

Email reminders have been sent to Region II States and Chapters on upcoming elections. Incorporated states and chapters were also reminded of due dates for 2018 990s and financial reports.

My goals for this quarter is to assist states in the election process, which includes proper reporting of election results for the database. Anyone needing assistance filing their 990s or holding an election may contact me.
