

February, 2014

Welcome to our new and improved website. Our intent is to make this your first choice for all the latest news, communication, and information. As you browse through the many pages, you will see that much thought and work has gone into making this the best and most comprehensive source of AVVA information that has ever been available to our members. Joanna, our webmaster, has done an excellent job of creating and designing it.

AVVA continues to move in a positive direction. Our Strategic Planning Committee is hard at work developing our future goals and objectives. And, as AVVA evolves, (and we are evolving rapidly), our *Mission Statement* and *Vision Statement* will also be changing. Expect to see our Strategic Plan, new Mission Statement, and Vision Statement very soon on the site.

We now have AVVA products available! In addition to our coins, Agent Orange pins, and AVVA flags, members can now order clothing, patches, bags, and pins, etc., from our vendors. A link to their website and our products can be found on the top menu. Be sure to order your 15th AVVA Anniversary pin and patch soon. The supply will not be replenished once they are gone.

The Officers and Board of the Associates of Vietnam Veterans of America are diligently working toward making our website, programs, publications, and our entire organization one that our membership can be proud of.

Until next time....

Sharon
