

Candidate for Deputy Regional Director For Region 7 of AVVA

This is my letter of intent to run for AVVA Deputy Region 7 Director. My name is Andrea Gail Courville. I have been married to Terry Courville for 43 years. Together we have 5 children, 13 grandchildren and 10 great grandchildren.

I am a lifetime AVVA member and have served many years as the AVVA Rep for Chapter 215 and served one term as AVVA State Rep

I have helped our Veterans in many ceremonies on Memorial Day, Funerals for our fallen Warriors, replacing Flags in cemeteries. Sold raffle tickets for fund raisers for our chapter and our La. State Council. Also helped our La Chapter 215 Vets for kids buy and give out toys for children in need.

Since becoming an active member I have attended many National and State conventions and helped organize the State and National conventions. I have attended several Leadership conventions.

I enjoy working with the VVA members and community and hope to continue for many more years. Working alone with National AVVA members will help me do more for our veterans.

Thank you for considering my candidacy and I hope I am worthy of this positions

Yours Truly

Gail Courville
