I, Kim M. Biddle, am announcing my candidacy for 2023-2025 AVVA Region 4 Deputy Director.

I have been married to my husband, Jack Biddle, a Vietnam Veteran for almost 42 years, we have three daughters and seven grandchildren.

I served on Active Duty as a hospital corpsman from 1979-1982. I supported my husband in most of his 23 years of service. My grandfather, father, several uncles, cousins and one son in law all have proudly served our country.

I became a lifetime member of AVVA in 2015 and have been actively serving since then. I was awarded the 2017 AVVA Member of the Year from Florida State.

I believe in the mission of the AVVA and my passion is to work along side of our Veterans and their families.

If elected, I plan to fully support and continue working for the betterment of our veterans and families by continuing to focus on the mission. I want not only our state, and region to remain strong but also AVVA National. I would like to focus on growth, retention, and support our Region 4 Director in helping to motivate our members.

Respectfully,
Kim M. Biddle
