I am submitting my Letter of Intent to run for Deputy Regional Director, Representing Region 7. Below are my qualifications.

- ❖ Life-member of AVVA Chapter 920, Denton, Tx since June 2013.
- ❖ Awarded the Texas State Council "2020 AVVA Member of the Year".
- ❖ Texas State AVVA Treasure since 2024. POC/Delegate since 2018.
- ❖ Computer literate, taught MSOffice to Verizon employees during my career. Use MS Word to publish the VVA 920 Monthly newsletter, which I email to all Chapter 920 VVA & AVVA members via Gmail.
- ❖ I am the "behind the scenes" person who organizes VVA 920 Celebrations & Holiday Dinners. At least 3 per year. Christmas dinner requires RSVPs and tracking attendees & the dish they are bringing.
- ❖ Education - Secretarial School and an Associate in Business. My experience in Telecommunications covered many positions from service representative to Quality Trainer in a Business Office, to Staff Analyst at GTE/Verizon headquarters (1973-2000). I also worked as a remote analyst for several firms (2020-2023).
- ❖ I attend and support many Veteran events each year. Volunteer with Texas Veterans Hall of Fame.

I feel that my experience with computers and software will allow me to assist the Region 7 Director and fulfill my responsibilities.

Respectfully,
