

National Disciplinary Report

The National Disciplinary Committee is composed of the following:

Chair. Joanne Blum

Vice Chair. Mary Anne Newman, Region 4 Director

Members:

Anthony Gigli, Region 5 Director

Suzanne Blohm-Webber, Past Region 4 Director, Past State Council President

I have the privilege of serving as Chair for the next two years: 2025-2027. I have appointed Mary Anne Newman as Vice Chair for continuity of the committee. My plan is to work together as a team and address issues as they surface.

Goals for the next two years will be to provide some education and training to help all members, chapters, and state councils. Of course, the ultimate goal is to maintain ethical conduct and increase awareness of the rules of the organization. Also, to work together with National officers to distribute correct information as news arises.

Respectfully submitted,

Joanne Blum, National Disciplinary Chair
