

Strategic Planning Committee

April 2019

Nancy Rekowski, Chair

The strategic planning committee has sent the 2019 proposed plan to the Board of Directors for adoption at the April 2019 board meeting. The committee and our graphic designer (Bernie Rekowski) have put an estimated 100 hours into the project. I want to thank my committee members Joanna Henshaw and Cecilia Essenmacher for their dedication and hard work. The strategic plan will be posted on the website upon adoption by the Board of Directors.
