

BYLAWS COMMITTEE REPORT

April 2021

There are nine bylaw amendments proposed for presentation to the delegates at the National Convention in November. The committee will be meeting to discuss these nine in early May. If I receive others, they will be discussed during the period between July 7 and August 6.

All proposals must be received by the committee chair by July 7th and will be posted to the website for the membership on August 6th. I encourage all delegates to print these out and discuss them with chapter members so that the vote may truly represent what the membership wants.

Respectfully,

Cecilia Essenmacher

Bylaws Committee Chair
