

Bylaws Committee Report:

January 3, 2022

All changes to the bylaws at National Convention have been made and uploaded to www.avva.org and listed under legal documents. The committee currently has the Incorporation templates for State and Chapter bylaws for review. We are working on them and as soon as they are approved, we will be sending them out soon. We have set a deadline of March 31, 2022, for these templates to be approved by the State and Chapters Associations and returned to the Incorporated Chair, Bobbie Morris. I would like to thank Bobbie for helping me with this task she has been a Godsend. I also want to thank my committee Kim Biddle, Penny Chamousis, and Nancy Rekowski for bearing with me during the transition of becoming the bylaws chair. Together we will work to make sure the bylaws are current and up to date.

In Service to America,

Barbara A Coan
