

## POLICIES AND PROCEDURES COMMITTEE CHAIR REPORT

JANUARY 2021

Because the 2020 chapter and state elections were interrupted by Covid-19, there has been discussion about changing the election reporting procedures. I have been reading through and working on proposing those changes.

In the process I realized that having a listing of references between the policies and the bylaws would make updating them easier. This will be passed on to the next P&P chair.

Cecilia Essenmacher

Policies & Procedures Committee Chair
