

Bylaw Committee Report

Nancy Rekowski, Chair

July, 2019

During the chain your preparation process, the committee met frequently to review our current bylaws adopted in 2017. 13 proposed changes to the bylaws will be presented to the delegates of the convention. The committee presented 12 amendments with one propose amendment coming from the membership. The proposals were then sent to our parliamentarian, Barbara Cooper Miller for review and then posted on our website by the webmaster.

Following the ;AVVA luncheon on Wednesday, Barbara Cooper Miller, Cecilia Essenmacher and myself will conduct a caucus for any delegate wishing to gain a better understanding of their proposed bylaw changes and parliamentary procedure on the convention floor. All delegates are welcome.

Thank you to bylaw committee members; Joanne Blum, Cecilia Essenmacher and Joanna Henshaw for their support and dedication. The committee is now dismissed.
