

FINANCE COMMITTEE – October 2022

Hard to believe this year is coming to an end. As we enter into the 4<sup>th</sup> quarter of this year, we are still on budget even with the huge price increases this year.

The finance team has been working on updating our policy and procedures to make it more user friendly. We will be submitting that for approval.

We are beginning the budget process to begin the 2023/2024 budget and will start working on some things to make that process a little easier.

Regards

Susan Price
