

Website Committee Report

November 2022

The website has been updated with state and chapter election information for our official database over the last three months and is now being updated on the website listings for state and incorporated chapter leadership. We are waiting for election dates on one or two of the incorporated chapters. The contact information page is: <https://www.avva.org/statechapter.html> If you are a regional director, state representative or president, or chapter president in an incorporated chapter, please check this page for your correct information. This database is used for delegate information for conventions. It is important that you be sure your information is correct. NOTE: Chapter representatives are not shown.

Once again, we would really like to post information about your upcoming events. If you have an event coming up that you want to spread the word about, please send me your information at: avvajh@cox.net. We will post it on our Upcoming Events page.

If you are interested in finding out how to incorporate your state or chapter, please visit the Incorporation Information Page. If you are even remotely interested in the process, go to <https://www.avva.org/incorporation.html> to read about how. If you can incorporate, you really should.

 AVVA National is still looking for a person who would be willing to volunteer just 4 or 5 hours per **month** to make additions, upload new information, take out old information, or just generally help with the workings of the website. They would have to understand custom software like Dreamweaver, that require FTP Transfer software to “talk” back and forth between the website files and the server. If you are interested in discussing volunteering for this, please email me at: avvajh@cox.net We can talk about what you may or may not need to know, etc. and how we could share webmaster duties.

 AVVA Face Book page: <https://www.facebook.com/AssociatesofVi1>

Please stay in touch with our website. You can actually find so much of what you need to know for just about any AVVA questions. And you can find contact information for your region and state. As always, if you do not find something you wish was there, please contact me and we can see what we can do.

Respectfully submitted,

AVVA National Website Committee Chair
