

CONDOLENCE COMMITTEE REPORT

October 7, 2021

Fran Davis, Chair

Father Phil sends this committee all the information for our mailings. It has been quite a while since we received a mailing so I expect the next one to be quite large.

The new design on the cards along with the already return addressed envelopes are very impressive. We started using them right away. Our last quarter mailing was 450 and a lot of them were the new cards.

I will continue the chair this committee as long as I am asked. Paula Davis, my daughter-in-law, is my committee member. She loves to address the envelopes so we make a great team.

Respectfully submitted

Fran
