

Dear AVVA Membership:

Happy Spring to all. It's hard to believe it's mid-April already. With the year progressing so quickly, I wanted to remind you that Member of the Year and Fellowship Award nominations are due no later than May 31.

I know that everyone knows at least one AVVA member who is entitled to attain one of these honors. The awards will be presented to the the members selected at the AVVA luncheon at the 2022 Leadership Conference which will be held in Greenville, SC in mid-August of this year. The recipient does not need to be present.

The criteria for each of these awards can be found on the [avva.com](http://avva.com) website. Just scroll down to National Awards.

Let's make this a competitive year!

If you have any questions regarding either of these awards, please do not hesitate to let me know. I'm happy to help in any way I can.

Blessings,  
Mary Anne Newman  
National Awards Chair
