AVVA National Membership Committee

April 2022

As AVVA National Membership Chair and Committee for April 2022, we continue to move forward to increase our Membership for the future success of AVVA.

We had a meeting with Nina, National AVVA Secretary; Susan Price, National AVVA Finance Chair; and myself, to discuss changes in membership dues that will benefit everyone. The changes will affect lifetime AVVA membership and Dual Membership and the outcome, we feel, will be beneficial to all in the long run.

I discussed the projected changes with the membership committee: Jennifer Ellis, Bobby Morris, and Ruth Feliciano and all were in agreement that these changes are favorable to everyone concerned.

Membership is a continuous process that requires plenty of attention. Even before I was placed in this position, I was given tasks to follow up on for membership. I've been trying my best to catch up with all the demands that continue to arrive i.e., requests for membership cards, web and email rosters, database information and rosters with upcoming elections and the list goes on.

I have the AVVA Regions organized so I can quickly assist you with Membership concerns.

Together, with Jennifer Ellis, Bobbie Morris and Ruth Feliciano, we plan for future Zoom or "Go To Meetings" to brainstorm to build up our membership.

Respectfully,

Teresa Rangel  
AVVA National Membership  
Chair

Jennifer Ellis  
Bobbie Morris  
Ruth Feliciano  
AVVA National Membership Committee
